Your Quickstart Guide to Grow Your Business  
with Facebook

Cheat Sheet

Powerd by : [HQplrStore.Com](http://HQplrStore.Com)

## Who Are We?

We definitely are the solution for all of your product creation limitations and headaches for your Internet Marketing Success. **HQplrStore.com** is an amazing monthly membership site whose principal mission and vision is to give you every single thing you need in order to build a good and really profitable business online. More importantly, we help you set up a profitable business on complete autopilot in the shortest possible time.

There are 3 extremely important things you really need to have in order to make great money over the web:

1. The first thing you will need is a **product** with high quality and valuable information.
2. The second thing you need is an attractive, well written and good converting **sales page**.
3. Finally, you will surely need a quality **sales funnel** that will surely skyrocket your business: Squeeze page to build list, a quality report like this one (You got from us), follow up emails and a thank you page to deliver the product to the buyers

We run a **100% NEW, Unique and only High Quality PLR-Trainings Factory** based on the hottest and most lucrative markets online; and this is how we are so able to reach our strongest desire: give you every single thing you need to make your own highly lucrative and successful Internet marketing history.

Thousands of dollars and countless hours is what it takes to run this type of factory, and that's because we are the only creators of everything which is included inside every package.

That's who we are and we are so happy for you to enjoy our quality and we are so ready as well to give you a warm welcome to our membership.

**Be a Part of Our Membership and Become Our Next  
Success Story! [Click Here](#)**

Mark every step of the process as you do them; that will help you to keep track of everything you need to do. Include additional steps if necessary.

1.  Create a [Personal Facebook account](#) (just in case you don't have one)
2.  Decide your topic by answering the Step 1 questions
3.  Carefully read the [Facebook Pages Terms](#)
4.  Start creating your [Facebook Page Account](#)
5.  Search for a keyword using the [Google KT](#) and use it as the Page Name
6.  Create the about section engaging the visitor (150 characters)
7.  Remember to include the same keyword in the about section
8.  Create the Profile Picture using a logo, product or your photo
9.  Use the same keyword as the Facebook Web Address
10.  Create the Cover Image showing what your FP is all about in seconds
11.  Search for some interactive and useful Facebook Apps and install them
12.  Create your first post welcoming everyone
13.  Get a lot of likes using Facebook Ads
14.  Check the Top 10 Facebook Marketing Tricks to get more likes
15.  Know your audience interaction by creating a posting experiment
16.  Schedule an excellent and highly interactive posting plan
17.  Check the comments from your audience and share your opinion
18.  Answer all of the questions they ask, don't leave them alone
